Destination information

Roquetas de Mar is the main tourist destination within the coast of Almeria. The beaches and the wide range of services on offer make this the perfect place for an unforgettable holiday.

It has 15 km of coastline, including urban beaches —totally accessible for people with reduced mobility— and non-urban beaches like Cerrillos and La Ventilla. It also has a nature reserve called Punta Entinas - Sabinar, as well as amazing Posidonia seagrass meadows, which are perfect for scuba diving lovers.

Roquetas de Mar is also synonymous with culture. Its Auditorium Theatre has rapidly become an example in Almeria thanks to the quality and variety of its programme. Other remarkable cultural spaces are Santa Ana's castle and the lighthouse, which have been turned into exhibition rooms. Among its museums are the Aula del Mar museum and the Bullfighting museum.
