Destination information

At the foot of the Sierra Nevada Mountains lies the majestic city of Granada, which boasts an incredible historical & artistic heritage with Moorish and Christian elements. The palace and gardens of the Alhambra and the Generalife, together with the Albaicín district have the UNESCO World Heritage designation.

Sitting on a hilltop is the Alhambra palace and fortress, built between the 13th and 15th centuries. Undoubtedly, it is an architectural masterpiece and a must-see attraction. The complex consists of four buildings, connected by courtyards, gardens and fountains: the Alcazaba, the Nasrid Palaces, Carlos V Palace and the Generalife. Also worth visiting are the Sacromonte district, the San Nicolás viewpoint, Carmen de los Mártires gardens, the Royal Chapel, the Cathedral, the Paseo de los Tristes walkway or the Alcaicería.

Granada hosts a large number of trade fairs, symposiums and conferences every year, due to its good transport links (by rail, road and air), its extensive historic heritage and its large programme of cultural events. Located in the heart of the city, the Exhibition and Conference Centre is the largest building dedicated to that purpose. It has nine rooms with different capacities and seats up to 3,500 people.
