Destination information

Marbella has the best climate in Europe, with temperatures ranging between 16 and 30 degrees, and less than 50 days of rain a year. Formerly a small fishing village, Marbella is now a luxury international tourist destination.

Besides a wonderful promenade with lots of restaurants and beach bars, it has two marinas. One of them is in the town centre and the other is in Puerto Banús (7 km away), which is famous for the luxury yachts, the exclusive restaurants and the designer shops. Marbella is also a paradise for golfers, as it has about 15 courses.

Also worth mentioning are the beauty of the old town's streets, the quality of the beaches and the kindness of its people. Undoubtedly, Marbella is the tourist destination where culture, leisure and glamour come together in a perfect blend.
