**Destination information**  
Besides a vibrant nightlife, Ibiza has so much more to offer: beaches, history, nature and endless leisure opportunities. The fortified old town (Dalt Vila), which is a UNESCO World Heritage Site, is a must-see place. Also worth mentioning are its pristine sandy beaches, which can be enjoyed all year round thanks to the warm weather. The clarity of the water is largely due to the Posidonia oceanica seagrass meadows that grow on the sea floor, which have been declared a UNESCO World Heritage Site.  
Ibiza has some natural areas of great beauty, such as Ses Salines Natural Park and the nature reserves of Es Vedrà, Es Vedranell and Islotes de Poniente, not to mention the endless possibilities for fun and leisure, which make the island one of the world's best party destinations.
