Full description

ROOMS
Senator Gandia rooms are bright, spacious and functional. They have been designed with an open-plan concept, integrating the bathroom into the room, and have been decorated with warm colours. As a result, the rooms feel peaceful and comfortable as soon as you walk in.

FACILITIES AND SERVICES
On the inside, the hotel holds a 430-square-metre Senzia centre, Senzia Spa Gandía, which includes a hydrotherapy circuit and treatment rooms. This space has been designed for relaxation and it will stimulate all the guest's senses.

On the outdoor terrace there is a nice pool, which is surrounded by sun loungers, and a kid's paddling pool.

BARS AND RESTAURANTS
Senator Gandia includes an elegant buffet-style restaurant with show cooking stations, as well as a lobby bar with outdoor terrace. It also has two exclusive dining areas: MARAO, with a menu designed by chef Paco Pérez, where you can sample exotic dishes inspired by his travels around the world; and Nómada Bistro, with a relaxed atmosphere that combines Mediterranean cuisine with international touches.

Destination information

Gandia is one of the top tourist destinations on the Valencian coast. In addition to its wonderful climate, Gandía is famous for offering a great variety of attractive options for enjoying culture, leisure and nature. The town is bursting with history, as evidenced by the spectacular Ducal Palace—legacy of the Borgia family—, which is a must-see. It is worth taking a stroll through the centre of the town to discover all its hidden gems.
It should also be mentioned that the seaside is filled with bars, restaurants, nightclubs and many other leisure facilities. Also worth mentioning are its nature areas, like 'El Marjal de Gandía'.
