FACILITIES & SERVICES
Pools are undoubtedly one of the hotel's biggest attractions. Altogether, it has one indoor heated pool with jacuzzi, one paddling pool for children and three large outdoor pools: a river-style pool, a separate pool with water slides and a stunning infinity pool overlooking the coast of Almuñécar (about 1,000 m2).

However, Playacálida is much more than just pools. It also offers a big sun terrace with palm springs and sun loungers, gardens, mini-golf courses, a giant chess, a fitness room and a game room, as well as other services like babysitting, doctor, bike and car rental or currency exchange, among many others.

ENTERTAINMENT
At its holiday hotels, Senator Hotels & Resorts offers a comprehensive entertainment programme for guests of all ages. The little ones will enjoy themselves in the Delfi Club, which includes the Mini Club (3-6 years) and the Junior Club (7-10 years). They will take part in sporting activities, pool games, craft making, civic activities, creative cooking workshops, eco workshops, theme parties, breakfasts and dinners with our mascot called Delfi, night shows, and many more activities.

Teenagers will also have fun in the Teen Club (11-14 years) and the Ado Club (15-17 years), where they can engage in water sports, social action activities, pool games, parties... Finally, there's our Maxi Club for adults with sporting activities (aerobic, yoga, archery, water polo, aquafitness...), food tastings, creative workshops, theme parties and spectacular night shows.

RESTAURANTS & BARS
The hotel has two big buffet-style restaurants ("Simbad" and "Arrayanes") and one à la carte restaurant «Terra» (open for dinner service and during the summer). In addition, there are a pool bar ("El Río"), a lobby bar, a pub ("Al-Ándalus") and a theatre bar ("La Zarzamora").

SENZIA SPA ALMUÑÉCAR
Guests will enjoy a moment of total relaxation at Senzia. It features a hydrotherapy circuit with vitality pools, saunas, jacuzzis, Turkish bath, ice cave, pool with citrus fruits, pebble pool... As well as a treatment area offering facial and body beauty treatments and rituals carried out by professionals.

Destination information

Almuñecar is located in the heart of Costa Tropical, which stands out because of its picturesque beaches of pristine waters, its coves and the beauty of the sea bottom. This town offers visitors a subtropical climate, where the average temperature is 20 ºC and the sun shines about 320 days a year. These climate conditions are favourable for the growth of a large variety of tropical fruits like the avocado or the cherimoya.

Almuñecar offers tourists lots of leisure options, including all types of water sports, outdoor activities, culture and history. Places like the San Miguel Castle or the ruins of the Roman baths, the aqueduct or the fish-salting factory evidence the presence of Romans, Phoenicians, Muslims and Christians and the importance of their cultures in the town's history. Also worth visiting is the Cueva de Siete Palacios (archeological museum), the 'Peñon del Santo', the church (Iglesia de la Encarnación), the Bonsai Garden Museum, the 'Loro Sexi' Exotic Bird Park or the 'Majuelo' Botanical Garden and Park.
